Executive Summary

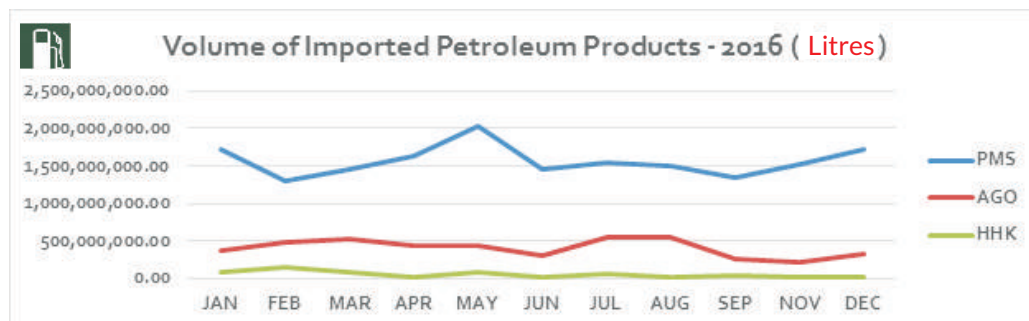

The petroleum products imports statistics for Q4 2016 reflected that 4.83bn litres of premium motor spirits (PMS), 1.00 mln litres of automotive gas oil (AGO) and 182.9 mln litres of household kerosene (HHK), valued at N629.6bn, N136.1bn and N24.7bn respectively, were imported into the country in Q4 2016.

For the full year 2016, 18.8bn litres of premium motor spirits (PMS), 4.89bn litres of automotive gas oil (AGO) and 713.79 mln litres of household kerosene (HHK), valued at N2.01trn, N505.8bn and N70.7bn respectively, were imported into the country

The month of May 2016 recorded the highest volumes of premium motor spirits (PMS) imported into the country at 2.02bn litres valued at N249.88bn

This coincides with the May 11th, 2016 official announcement by the Honourable Minister of State for Petroleum Resources, Mr. Emmanuel Ibe kachikwu on the deregulation of PMS importation aimed at improving its supply nationwide.

Statewide distribution of truck-out volume for Q4 2016 showed that 4.83bn of premium motor spirits (PMS), 1.00 bln litres of automotive gas oil (AGO) and 182.95 mln litres of household kerosene were distributed nationwide during the period under review.

Zamfara State records 3,470 Truck-Out and 147,681,566 mln Volume of Litres in Q4 2016

Methodology and Advice to Users of Our Reports

Methodology

Data is provided by the Petroleum Products and Pricing Regulatory Agency (PPPRA) and verified and validated by the National Bureau of Statistics (NBS)

1. Volumes refers to products discharged within a month and is based on actual quantities discharged during the month.
2. Average landing cost per month is the average landing cost (SVH) of the product during the period of discharge.
3. The value of the product is estimated value based on the average landing cost of the product as at the month of discharge.
4. Discharge Date - Date the product was received is the reference period for this report.

ADVICE TO USERS OF THIS REPORT

You are given the limited right to print this report and to distribute it by any means. You can print out pages and share/use them in your private discussion groups as long as you acknowledge NBS and you do not alter the report in any way. NBS is not responsible for any errors, omissions or representations on any of the pages in this report. Our report, opinions and analysis are based on best practice methodology and sources believed to be reliable and are written in good faith, but no representation or warranty, expressed or implied, is made as to their accuracy or completeness. The information in this report is updated from time to time. We encourage everyone to use the information in the report as a resource only to further their own research on all featured entities. This material is based upon information that we consider reliable, credible and factual but we do not represent that it is accurate or complete, as such. Any information, opinions, advice or offers posted by any person or entity logged in to the NBS's website associated sites is to be construed as public conversation only. In delivering this report, the NBS works with and through organisations with distinct service competencies in data presentation. NBS takes extra steps to ensure that information provided by it are accurate, fact checked and validated for compliance with internationally acceptable standards and practices. While this report is checked for accuracy, we are not liable for any incorrect information included. We are always happy to receive your comments on how we can improve on this report. Should you be interested in contacting us for further discussions on how such reports can be made more meaningful to you or your organization? Kindly contact feedback@nigerianstat.gov.ng
