MED-VIEW AIRLINE PLC BEGINS SCHEDULED FLIGHTS TO DUBAI

Med-View Airline Plc., in her quest to improve and expand flight operations to International routes shall commence scheduled flights to **Dubai on Thursday 7th of December, 2017** having informed the Exchange of this operation.

This new destination will generate additional revenue in terms of the volume of passengers who travel on that route. The Airline has been able to put together lucrative travel packages as an incentive to motivate passenger patronage. Med-view Airline recognizes the economic and financial potential the Dubai route possesses as it has been identified as one of the best Holiday/Business destinations for Nigerians.

With the inaugural flight scheduled to commence on the date stated above, the Airline is proud to be an indigenous pace setter, as it operates a direct **flight from Lagos via Abuja to Dubai.**

Thank you
